Taught and worked with individual students tailoring for their needs and goals

Achievements/Tasks

- ▣ Taught General English Students from Pre to Advanced Levels based on Outcomes and Keynote Books
- ▣ Worked with IT guys and tried to understand their actual needs and weak sides
- ▣ Prepared 3 students for job interviews+helped them brush up their CVs
- ▣ Created my own 90% speaking format for classes and understood what are the typical 3 students on the market and how to work with this target audience
- ▣ Helped students keep up their practice by providing additional materials (e.g. videos, movies, articles, books for reading, online quizzes)
- ▣ Prepared students for ZNO examination from scratch
- ▣ Devised my own format of ZNO prep and found a happy medium in it (now my students crack the tests easily and manage with it in 40-60 minutes instead of 3 hours given)
- ▣ Provided occasional proofreading for programmers
- ▣ Visited multiple workshops in Tutor's Secret Club Community
